FINANCIAL DEPARTMENT

OFFICE OF THE COMPTROLLER OF MYSORE, BANGALORE.

Circular No. 2058—WAD. II, dated 27th May 1941.

(Approved in G. O. No. R. 8348—L. R. 515-40-2, dated 16th June 1941.)

Government having sanctioned in No. Fl. 7440-96—G. F. 324-38-1, dated 18th May 1939 the formation of a new Irrigation Development Fund for financing large irrigation works of a protective character, a separate head as "13 (B) Irrigation Development Fund" has already been opened in the books of this office and in the Treasury Accounts. All receipts, such as water rate and contribution recoverable each year in respect of irrigation works financed from this fund have to be credited to this fund head.

The charges under the above works will, however, be continued to be shown under "23. Irrigation Works Charged to Revenue" under a new minor head "I. A. Irrigation Development Fund Works" for facility of reference and adjustment at the end of the year by debit to the Irrigation Development Fund through the account of expenditure met from Reserve and other funds. As regards the recoveries of contribution, etc., promised by the raiyats, the Revenue Department will open separate demand, collection and balance registers in their offices for recording the demand and recovery as per terms of mutchalikas executed by the raiyats and accepted by the Department while sanctioning the estimates. A quarterly D. C. B. Statement in respect of all such tanks in the District will be prepared by the Deputy Commissioner from the information to be furnished by the Amildars and sent to the audit office after agreeing the collections with the Treasury credits.

The expenditure incurred on these works so far by the Executive Engineers will be debited to the head "23. Irrigation Works charged to Revenue—I. A. Irrigation Development Works" where the full grant required will be provided and no portion of the same debited to 30 (b) Loans. If any misclassifications have already occurred, the concerned Executive Engineers will take early action to set right the same.
